**Workshop is FREE Explore Bowhunter Kits (\$2000.00 value) will be given to several teachers attending the workshop.**

**Special Note:**

Explore Bowhunting is an outdoor conservation education program focusing on interactions with people and wildlife. Explore Bowhunting teaches students how to interact with the natural world by developing basic skills used to bowhunt which focus on getting close to animals. Not only does Explore Bowhunting teach students how to interact with nature using ageless hunting skills, but it also teaches an appreciation of what is around them and enhances their enjoyment with the outdoors.

Teaching materials will be provided to every participant in this workshop.
