Dear Outdoor Adventure Teachers,

You are in an incredible position as an Outdoor Adventures teacher. You will have an opportunity to impact some students that no other teacher has been able to reach. As a former OA teacher myself, let me encourage you to introduce your students to the joys of hunting, fishing, competitive shooting, orienteering, camping and outdoor cooking. Many of your students will be forever changed because of your class. Good luck and please share any success stories.

All you need to do is just ask your local retailers and wholesale vendors in your area.  
Check out Kennedale's Winchester Fundraiser

Outdoor Adventures class hosting a silent auction on a Winchester Tradition 19 gun safe to raise funds for our kids to purchase more equipment. We will utilize a silent auction approach where people can bid on the safe during the home football games all season. If you wish to place a bid on the safe, please e-mail Danny Wilcox at [wilcox@kisdtx.net](mailto:wilcox@kisdtx.net). You must include in your e-mail bid your name, address, city, state, and zip-code. You also must include your cell phone number so that we may reach you if you win the final bid to purchase the safe. The last day for bids is November 6<sup>th</sup> at 9:30 pm. The highest bid each week will be posted at the bid table of the following week's games. If you do not Attend Kennedale HS home football games, I will have your e-mail to notify you of the current weeks highest bid. Thank you for your support in helping the kids in Kennedale HS Adventures in Outdoor Education's 7 classes! We have a current enrollment of 192 kids!

## CALLING ALL HIGH SCHOOL FISHING CLUBS!

### We want you on the Berkley Team.

**Now is the time to register your high school fishing team for the 2015 Berkley® High Fishing Club Challenge.**

If you participated last year you know the fun we had with the monthly challenges and all the great prizes available throughout the season. The opportunity to win first, second, or third place in the challenge can add hundreds or even thousands of dollars to your clubs arsenal of fishing supplies. If you are new to the **Berkley High Challenge** don't miss this great opportunity to team with the most notable brand in the fishing tackle industry - **BERKLEY®**

The Berkley High Challenge promotes the joy of fishing while learning techniques to develop the skills to create lifelong anglers. Your club can be big or small, skilled or novice, freshwater or saltwater, or can fish for any species. It's not about the biggest or the most fish, it's about the joy of the sport.

We don't focus on tournaments but we are launching the new year now, in June, so that we can follow and reward your team's summer time fishing activities. But all that will come later. Now is the time to sign-up.

**Go to the Berkley website home page and click on the trophy photo to get started now.**
